

Thank you for using this USB and these קונטרסים.

מו"ר הרה"צ הגאון הרב שרגא קאלום שליט"א is world renowned for his masterclass shiurim in which he encompasses the breadth and depth of the most complicated halachic Sugyas, laying down the foundations from the Gemara and Rishonim, and building the sugya with extreme clarity and captivating delivery, focusing on the ramifications and applications to our everyday lives. I was Zoche to participate in thousands of these shiurim between אלול תשע"ו and קיץ תשפ"ד, and rewrote thousands of pages of notes in order to gain clarity and remember what we learnt. These notes evolved, eventually taking on the form of קונטרסים. The documents you have in front of you are in various stages of this 'evolution', resulting in differing styles and format in each סוגיא.

Additionally, some of the documents were proofread and professionally edited, while others are just the first draft. I appreciate you taking this into account, and would be most grateful if you would forward any comment and corrections, and I assure you that all feedback will be taken seriously. במ"ד I was zoche to print many of these קונטרסים, and distribute them to Kollel members, and received much positive feedback and corrections. The files here are the most up-to-date versions, and as a result may differ from the hard copies.

I owe a tremendous debt of gratitude to many of my close friends, who edited and corrected these documents, as well as sponsoring the publication of many booklets. Thank you to; S Bertram (Lakewood), Y Chody, Zvi Segal (Har Yonah), Y Cohen, C Cooper, T Feldstien, S Friedman, T Gross, A Kahn,

May **הקב"ה** bentch you all with unlimited **ברכה והצלחה** in all you do, and it is my heartfelt **תפלה** that geographical distance should not affect our close bond fostered during our time together.

I have no words to thank **מורי ורבי הגאון הצדיק הרה"ג הרב** **שרגא שליט"א** for all the **כח** and effort he invested in teaching me all these years, and allowing me the **זכות** to be his talmid and learn from him **השקפה**, **תורה** and **מידות טובות**, developing a **קשר של קיימא**, a **קשר** that will surmount any geographical limitation. I have a special appreciation to **ר' שרגא שליט"א** for allowing and trusting me to print booklets and **קונטרסים** bearing his name on them.
